

EMTALA

Learn EMTALA the easy way with The Sullivan Group.

- Comprehensive web-based education for physicians, nurses, hospital administrators, and on-call physicians.
- The web-based format allows TSG to keep our EMTALA offerings completely up to date. The courses reference the most recent rules, regulations, and interpretive guidelines.
- Immediate access to the EMTALA statute and every regulation, interpretive guideline, and supporting document.
- Continuing education credit available for physicians and nurses through ACEP, AOA, and ENA.
- Log on and off at any time - at your convenience.
- TSG Navigation tool allows monitoring of all aspects of course activity and employee compliance.
- Some of the largest health care organizations in the United States currently utilize TSG services to ensure EMTALA compliance.

Nursing Comments

This course was incredible. Although I understood the basic principles of EMTALA before taking this course, my understanding after taking the course is significantly enhanced. Thank you for an excellent course.

- Sandy Romans, RN

A very easy way to learn about EMTALA. I liked the sections and questions. Also the ability to log out and back in to where I left off. THANKS DR. SULLIVAN.

- Rita Penman, RN

This was an effective and convenient way to learn and test EMTALA knowledge.

- Marilyn Howard, RN Nursing Supervisor

Hospital Administration Comment

This was an excellent EMTALA review and the test questions pointed out my knowledge deficits.

- Laura L. Meese, RN, BSN, LHRM, Director of Risk Management

Physician Comment

This EMTALA course is the best CME I've done thus far.

- Herbert L. Myles, Jr MD

Health Care Consultant Comment

Great course. I am a nurse consultant and will find the information gained very useful. My area of practice is emergency departments, urgent care centers, and walk-in clinics.

- Sally Sulfaro, RN

Access the TSG Continuing Education Library at www.thesullivangroup.com or call us for more information.

"Over 100 hours of Continuing Education Credit available in a web-based environment where you can work when you want, where you want, with the ability to log off and back on at your convenience."

Everything You Need to be EMTALA Compliant

- Comes to the hospital
- A request is made for medical care
- Within the capabilities of the hospital
- The Dedicated Emergency Department
- Medical Screening Examinations
- The Emergency Medical Condition
- Stabilizing Treatment
- Appropriate Transfer
- On-Call Physicians
- Informed Refusal of Care

TSG Emergency Medicine Web-Based Training Library

EMTALA Fundamentals	Provides a working knowledge of the law and regulations for physicians. Five CME credit hours for physicians.
EMTALA Comprehensive	A more comprehensive look at EMTALA. Covers all related statutes, regulations, and related documents. Seventeen CME credit hours for physicians.
EMTALA for Nurses	A comprehensive look at EMTALA. Addresses a broad range of EMTALA issues including triage, nursing screening examinations, labor & delivery, behavioral health, etc. Ten contact hours for nurses.
EMTALA for Hospital Administrators	Patient transfers are high-risk with patient safety on the line. Seconds-to-minutes decision-making is often required. This course is designed for hospital administrators central to this decision-making process.
EMTALA for On-Call Physicians	This course addresses EMTALA requirements for physicians taking call for the Emergency Department. It is critical that On-Call Physicians understand the basics of EMTALA including patient screening, stabilization, and patient transfers.

CME Accreditation Statement

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of ACEP, the Illinois College of Emergency Physicians and The Sullivan Group. The American College of Emergency Physicians is accredited by the ACCME to provide continuing medical education for physicians. The American College of Emergency Physicians designates this educational activity for a maximum of 17 hours of Category 1 credit toward the AMA Physician's Recognition Award. Each physician should claim only those hours of credit that he/she actually spent in the educational activity. Approved by the American College of Emergency Physicians for a maximum of 17 hours of ACEP Category 1 credit.
